

GST ANNUAL GOLF TOURNAMENT

Friday, May 19th 2017

Hard Rock Hotel & Casino

770 West Cherokee Street
Catoosa, Oklahoma 74015 (918)384-7800

The Geophysical Society of Tulsa has awarded nearly \$85,000 in scholarships to local area students and educational programs since 2010 with the help of our generous donors. Scholarships are awarded to geoscience students from local universities preparing to enter our industry. Additional funds have been provided to our parent SEG Foundation to supplement our long-standing scholarship endowment. Recently we have been assisting the Tulsa Geoscience Center's educational programs introducing younger students to Geosciences. We provided funding for TechFest, a local university event to advance geophysics. While not a scholarship, these last two further the GST's purpose to promote the science of geophysics.

PLEASE HELP US PROVIDE EDUCATIONAL ASSISTANCE TO STUDENTS WHO WILL BE OUR NEXT GENERATION OF PROFESSIONALS.
